## COLLEGE VISITING DAY SET AT USD

FOR IMMEDIATE RELEASE

The University of San Diego's College Visiting Day will be held March 15 from 10 a.m. to 2 p.m., starting in De Sales Auditorium. The event features meetings with the university president and faculty, and discussions of student activities, majors, careers and college costs.

Campus tours and a patio lunch are also part of the program, which is designed for high school students, their parents and friends.

According to Bob Brower, Assistant Director of Admissions, "College Visiting Day provides an opportunity for students and parents to meet with the faculty for a discussion of college majors and careers. After the day's events students will have a clearer insight into the purposes and functions of USD."

Brower said that the program will cover all aspects of curricular and extra-curricular activities. "It is really an early orientation to what a university is all about."

Contact the USD Admissions Office, 291-6480, x. 255, for more information.
